

Confirming Phone Number in Alkami for Text Message Alerts

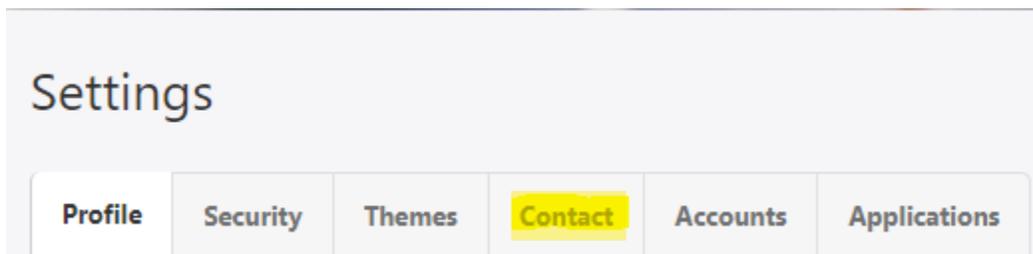

1. When logged into the full version website, select the settings tab from either the drop down

Or from the MORE WIDGET

2. Once in settings you will want to select CONTACT from the available tabs at the top

- For SMS messages to be activated, a phone number MUST be listed under MOBILE. You will want to select the pencil at the end of the number listed.

MOBILE

(603) 555-5555 **PREFERRED**

- You will need to check the box and select SAVE CHANGES
