The Interest Rate is subject to change monthly on the first day of the statement cycle to reflect any change in the Index and will be determined by the highest U.S. Prime Rate listed in The Wall Street Journal "Money Rates" table on the last publication day of each month, to which we add a margin. Your Interest Rate will never be greater than 21.99\%. Any increase in the Interest Rate will take the form of additional payments shown as Total Minimum Payments on the statement. Minimum Payment: Your monthly payment will be $2.00 \%$ of your total new balance, or $\$ 25.00$, whichever is greater plus outstanding unpaid fees and charges, all prior unpaid payments and any amount that exceeds your credit limit.
